

HM 48 00

INTERNAL MOTORISED ROLLER BLIND SYSTEM

The Helioscreen HM 48 00 internal motorised system is the ideal solution for small to medium windows in both domestic and commercial applications. Effortlessly installed into recesses and pelmets, or stand alone, it provides a streamlined aesthetic look in any interior. Easily integrated into home and building automation systems, it offers a multitude of linking solutions coupled with the option for dual shading requirements making it one of Helioscreen's most versatile roller blind systems.

The Helioscreen HM48 00 carries Helioscreen's 5 year warranty.
