

Ambience Twin Roller Blind

Product Information

Ambience Twin Roller Blind is the most versatile shading control system for your home or office.

A robust system incorporating two Ambience roller blinds housed together within the one bracket. Both blinds are independently operated by use of either a chain control or motorisation. Ideal solution for day and night use.

Suitable for both Commercial and Residential use.

The system can utilise a combination of any of the Verosol Roller Fabrics – select a blockout fabric for total privacy or a transparent or semi-transparent fabric to provide vision through.
