

# PANEL GLIDES

Introducing the Panel Glide, a versatile multiple tracking blind system, which retains your outlook while ensuring maximum privacy and UV protection.

Light and easy to operate, flat panels of fabric simply glide across the window surface, giving complete access to views and doorways while maintaining the clean lines of the window.

The Panel Glide is available in a stylish range of translucents, sheers and designer prints exclusive to Helioscreen.

The Panel Glide can be operated either with a cord, wand or simply by hand and carries Helioscreen's 5 year warranty.
